

# Hash Tree Company, LLC

Hash Tree Company is not printing a catalog for the spring 2022 and fall 2022 seasons.

We are essentially sold out. We have larger trees available still as well as some smaller Bristlecone Pine.

We are trying to work with our older, existing customers to make sure we supply their needs and their needs for the future.

Hash Tree Company welcomes your interest and hopes to accommodate more customers as inventory becomes available.

Thank you,

The Team at Hash Tree Company
